Ephesians was one of St. Paul's most widely circulated for disciples of Christ. In fact, its six short chapters contain some of the most discussed passages in the New Testament.

Ephesians: Discover Your Inheritance examines several themes that are of special concern to Christians in today's culture and society—the nature of marriage, the purpose and role of the Church, the preeminence of grace in God's plan, and the reality of spiritual warfare.

“thoroughly enjoyed this Bible Study, I thought it was both enlightening and thought provoking! We discussed things I never heard before. The more we learned, the more questions we had, which turned into great discussions.”
